TIS TRANSLATING
AND
INTERPRETING
SERVICE

Eating disorders can affect anyone, at any time, and across all cultures and backgrounds. This service supports eating disorder carers aged 10+ in their own language through a translator.

- ✓ Tailored one-one-one support from qualified counsellors with lived experience as an eating disorder carer
- ✓ Supported by accredited interpreters, to ensure clear, accurate, and culturally safe communication
- ✓ Online sessions provide nationwide access
- ✓ No waitlist or referral required
- ✓ Unlimited sessions
